**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a very satisfied customer of Sonic using both their internet provider resources as well as my landline telephone for the last 5 years. I am very happy with their services and support further broadband competition without reservation.

Please increase competition and reject efforts to increase the cost of internet and telephone services to end-users like myself. They have become a critical part of our lives and people need to be able to afford them.

Thank you,

Eugene Hannan
